

SUPER FAITH

Sep 29, 2010 – Kevin Porter

For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will come to pass, he will have whatever he says. Mark 11:23 NKJV

My prayer is that the Lord continues to open the eyes of my heart to the immeasurable value of the gifts of His Spirit. Truly, there is nothing that He has given us to do that we cannot do. The foundation of our strength is not in our talents, resources, training or circumstances, but in the very resources of Heaven itself. We are sons and daughters of the most high God, commissioned and authorized to bring the kingdom of God wherever we go.

Super faith is a gift of the Spirit that enables one to perform miracles. It is a gift that is available to EVERY believer. Every born again one can be empowered by the Spirit to do the works that Jesus did. This is the will of God, and the season we are in is one of every believer becoming a miracle worker. In the past, the Lord sent His Samson anointing on certain believers to become in effect a one man army - a powerful man or woman of God in miracles and wonders. But those days are past because, today, the whole army of God is rising up to walk in the power of God!

Of the nine gifts listed in 1 Corinthians chapter twelve, only two are absolutely key to walking in the power of God: speaking in tongues and faith. Speaking in tongues and faith are operations of the Spirit of God in you that are between you and God alone. Others may enjoy the effects of these gifts, but only you and the Lord directly benefit from them.

Super faith is released from Heaven into you in those special moments of deep, intimate communion with the Father. Peter said, "Such as I HAVE, I give thee..." (Acts 3:6). The Lord, Peter and the other apostles had probably passed this man many times before when they entered the Temple. They probably knew him by name. Peter had no gift of healing to give to the man on previous occasions. But this time, Peter had received something (a gift of healing) by super faith to give to the man. And, he knew it by revelation.

So many times, I have received a gift by super faith in my spirit to give to someone. One time, as I was preparing to preach, I saw a woman come in who seemed to be paralyzed from the waist down. The Holy Spirit said, "You have an appointment with her after you preach." Immediately, in my spirit, I received a gift of healing to impart to her. I knew it...by the gift of super faith I had no doubt. And, afterwards, she received it, bless God forever!

Dear one, you (yes, YOU!) can spend time in the presence of God and receive the anointing to do miracles. Pursue the holiness and power of God, and you will become a miracle worker...filled with super faith!

Remember, dear ones, we must be about our Father's business...
